SECTION 2. DUTIES AND FUNCTIONS. The IAECC shall have the following powers and functions:

- A. Prepare an annual assessment of opportunities for energy cost reduction in the state-owned and leased buildings and facilities designated by the IAECC. Each assessment shall be completed each year. The assessment shall be made available

to the public. Moreover, the assessment of the IAEECC of opportunities for energy cost reduction state-owned and leased buildings and facilities shall include:

- Data for the preceding five (5) years on energy consumption and cost including anticipated energy consumption and cost projected for the next three (3) years for each state-owned and leased building and facility designated by the IAEECC;
 - Energy conservation measures deployed in state-owned and leased buildings and facilities designated by the IAEECC during the preceding year;
 - Evaluation studies of the cost reductions and other benefits realized through the deployment of energy conservation measures; and
 - Energy conservation opportunities based on audits, technical analyses, or other methods of determining such opportunities and associated energy saving operations and maintenance procedures and capital projects of each state-owned and leased building or facility designated by the IAEECC;
- B. Review all, proposed capital projects and energy cost operating budgets of agencies designated by the IAEECC and recommend energy conservation measures which would reduce operating costs in state-owned and leased buildings or facilities;
- C. Provide any officer or entity of government, technical and consultative assistance concerning energy cost management or conservation;
- D. Annually recommend specific operations and maintenance procedure modifications and capital projects for state-owned and leased buildings and facilities designed to reduce energy consumption and costs;
- E. Conduct surveys, audits, technical analysis, and other research or investigations related to government energy efficiency projects and Government Energy Management Program (GEMP) as may be necessary to support the preparation of the National EE&C Plan and the objectives of the Act and the EEC-IRR;
- F. Issue a report describing the status of government energy efficiency projects and the GEMP, listing obstacles to building energy efficiency improvement together with related recommendations for statutory change, and identifying opportunities for public sector energy cost reductions not addressed by the Act or this EEC-IRR or the programs developed pursuant thereto; and
- G. Develop, after study of existing or emerging energy conservation technologies, guidelines as may be necessary or desirable to aid the work of the IAEECC in furtherance of the objectives of the Act and the EEC-IRR.

- H. Lead inter-agency policy actions through recommendations relating to innovative procurement, budgeting, contracting, financing and mobilization of private sector capital toward government energy efficiency and conservation projects, and.
- I. Formulate its own guidelines on how it will perform its powers and functions with reference to Section 10 of the Act.

SECTION 3. ANNUAL ASSESSMENT OF OPPORTUNITIES FOR ENERGY COST REDUCTION. In connection with the function of the IAEECC to prepare an annual assessment opportunities for energy cost reduction in state-owned and leased buildings and facilities, the Chairperson shall evaluate the energy efficiency and conversation measures and thereafter, submit a recommendation to the IAEECC, which shall either approve or disapprove the same within a time frame consistent with existing laws, rules and regulations.

The recommendations shall include the following:

- a) Review of the cost operating budget of the agency;
- b) Energy conversation opportunities; and
- c) Classification of the state-owned and leased buildings and facilities.

SECTION 4. MEETINGS OF THE IAEECC. The regular meetings of the IAEECC may be held at least once every quarter at the date and time set by the Secretariat. Special meetings shall be conducted as the need arises.

SECTION 5. REPEALING CLAUSE. All Executive Orders, Circulars, Memoranda, and other issuances inconsistent herewith are hereby repealed or modified accordingly.

SECTION 6. EFFECTIVITY. The executive order shall take effect immediately and will continue until amended or revoked.

Done in the Municipality of Bayambang, Province of Pangasinan this 3rd day of April, 2023.

HON. MARY CLARE JUDITH PHYLLIS JOSE-QUIAMBAO
Municipal Mayor
